

About US

SUN RISE ENGLISH SCHOOL was born in 1992 addressed by M.Mohan Raju, when it opened in JUNE 1st of that year and it had the sum total of 93 pupils.

Since our founding in 1992, SUN RISE ENGLISH SCHOOL has redrawn and redefined the boundaries of intellectual and creative thought as a preeminent academic centre. Our rigorous, multidimensional approach to education dissolves walls between disciplines and helps nurture progressive minds.

Our school's mission is to learn leadership, the common core, and relationships for life. Our mission is to provide a safe, disciplined learning environment that empowers all students to develop their full potential. We feel strongly about helping to build leaders that have the ability to succeed in whatever endeavour they undertake. Winning is not always the measure of success. Our students understand the "Win, win" philosophy and use it in their daily life. Common standards keep us focused on learning appropriate content and preparing our students to graduate. Last but just as importantly, setting examples for our students of meaningful and lasting relationships will go with them throughout their lifetime.
